Announcement of Application for Listing of Shares of Mitsubishi UBE Cement Corporation on the Tokyo Stock Exchange

Mitsubishi Materials Corporation, UBE Corporation, and Mitsubishi UBE Cement Corporation (hereinafter "MUCC"; shareholding ratio: Mitsubishi Materials Corporation 50%, UBE Corporation 50%) hereby announce that MUCC applied for listing on the Tokyo Stock Exchange today.

MUCC has set forth its vision for 2030 as becoming a "corporate group with leading technology and high profitability by maximizing the synergistic effects of business integration." To achieve this vision, based on its medium-term management strategy beginning in the fiscal year ending March 2027, MUCC aims to realize sustainable growth and enhance corporate value by improving profitability in its domestic business, driving overseas growth centered on its U.S. operations, and promoting sustainability management.

As announced in "Preparation for Listing of Mitsubishi UBE Cement Corporation on the Tokyo Stock Exchange" dated May 16, 2025, MUCC is currently proceeding with preparations for the listing. Through the listing of its shares, MUCC aims to strengthen its fundraising capabilities and enhance its governance structure, while enabling flexible allocation of management resources to capture growth opportunities. MUCC will seek to achieve its 2030 vision and further enhance its corporate value through these initiatives.

Regarding the listing of shares of MUCC on the Tokyo Stock Exchange, it is necessary to obtain approval from the Tokyo Stock Exchange following a listing examination by the Japan Exchange Regulation. Accordingly, there is no assurance that the listing of the shares of MUCC will be approved or regarding the timing thereof.
